### Class 2: The Fear of God

---

*“The basic idea behind the fear of the Lord, is much broader than our modern understanding of fear. While the holiness of God will leave many knees knocking when Jesus comes again, a mature fear of the Lord is more akin to awe, devotion, and worship. It is a response that says, ‘Your glory is irresistible.’ ‘In your presence, nothing else matters. You are all that I desire.’ Furthermore, it is a response that is active. It does something. It is not simply a passive devotion; it follows Christ in obedience. It searches out his will and can’t wait to do it.”*

#### I. What does it mean to fear God?

Clear that God’s enemies should fear him (Heb. 10:31). But why should God’s children fear him?

False solution: redefining fear so it isn’t fear (1 Jn. 4:10, 4:18)

2. The fear of God is a delight (Neh. 1:11)
3. Fear = submission (Prov. 28:14)
