

RESTORED: OUR STORY

Week 8: Restored Victory

BIG IDEA

Remaining strong in the Lord is more about WHO than HOW.

READ

Ephesians 6:10-11, Ephesians 6:13-17

DISCUSS

What does it mean that God is for us? How do we know that?

How does God equip us for the battle against Satan?

PRAY

Lord, I thank You that you have won the battle against Satan, sin and death through the power of Jesus' death and resurrection. Thank that we live in a place of victory when we are in relationship with You. Help us to remember to be fitted with the armor of God and to be strong in faith as we lean into our relationship with You. We praise You for Your victory! In Jesus' name, Amen.
