

JESUS, YOU, AND HEALTHCARE

QUESTIONS

1. What idea, illustration, application, or Scripture most spoke to you in this week's message?
2. Share about someone you know who has made a positive impact on the world, whether small or large. What was the motivation behind what they did, and what was the result?
3. What keeps people from making a difference when they see trouble or brokenness? As a Jesus follower, how can you step out to be a person who makes a difference for the good of others?
4. Read Matthew 5:14-16. According to this passage, what should the motivation be to "let your good deeds shine?" What are some practical good deeds you can do to help point people to God?
5. If you were (or are) a Jesus Skeptic, what evidence would you need to convince you of the truth of His claims?
6. Acts 1:8 says that "you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." Describe a situation where you felt the Holy Spirit working or speaking in you or through you.

TAKEAWAYS

How can you be a force for good in a world so broken and hurting?

God uses ordinary people who believe Jesus to do extraordinary good.

WEEKLY ACTION STEP

This week, find one way to be a Jesus follower in action. Serve someone this week without their knowledge and someone who cannot pay you back for your good deed or service.
