

Week 2, April 15-17:

## When You Weep

### Questions

1. What illustration, story or scripture had the greatest impact on you this week?
2. Even after the crucifixion and death of Jesus, Mary followed His body all the way to the tomb. Who is someone in your life that displays that kind of strong faith?
3. John 20:15 tells us that Mary initially thought the resurrected Jesus was the gardener. In many ways, however, He is. When your faith has been seemingly dead, how has Jesus planted and grown hope in your heart?
4. John 11:35 says, "Jesus wept." What does it mean to you that Jesus, being eternal God, sympathizes with every situation you will go through in life? How does sorrow sometimes help you feel closer to Jesus and others in grief?
5. Read Isaiah 53:3. Why do you think the Messiah became a man who was despised and rejected by mankind, when He could have chosen to redeem humanity from His throne in heaven?
6. Pastor John mentioned that God has a plan for every day of your life. What can you do each day to fulfill those plans to the best of your ability?
