

Week 6:

God Heals

Questions

1. What illustration, story or scripture had the greatest impact on you this week?
2. Pastor John shares that God's heart is to heal the whole person: mind, body and soul. Where have you seen someone healed in one aspect, but needing God's healing and intervention in another realm? How can you help point them to God's power for complete healing?
3. Read Matthew 9:18-33. When have you experienced unexpected healing from God in your body, mind or soul? How did you or others approach God in asking for that healing?
4. In Matthew 9:37, Jesus reminds us that the harvest is plentiful, but the workers are few. Where in your life do you see a plentiful harvest but limited workers? What keeps you encouraged to be a worker in God's abundant harvest?
5. God never promises to physically heal everyone. How do you respond when someone you love isn't healed in the way you expect? Where can you still see God at work in the situation?
6. Read Galatians 6:9-10. When you are busy caring for others, where do you struggle with weariness - in your mind, body or soul?
7. Several of Jesus' healing miracles started with Him forgiving the person's sins before He healed them physically. Pastor John reminds us that the ultimate healing is when your soul is healthy and whole in God. Where do you still need God's spiritual healing in your life? (In healing relationships, finances, past hurts, grief, anger, etc.)
