

## Week 3:

# When You're Surrounded

## Questions

1. What illustration, story or scripture had the greatest impact on you this week?
2. What army is surrounding you and your family right now? In what ways are you currently seeking the Lord's help?
3. Tell about a time in your past when you or someone you love needed God's help, and God showed up.
4. Read 2 Chronicles 20:12. What prevents you from fixing your eyes on God as a way of life? What can you do to move beyond that obstacle?
5. Pastor John said we must find our identity in Christ, be grounded in the truth of the Bible, and find loving acceptance in healthy Christians. How can doing these things help you when you ask the questions: Am I valuable? Am I liked? and Am I wanted? Where do you find the answers? How can you help your friends and loved ones to find answers to those questions in Jesus?
6. Read 2 Chronicles 20:15. If you were speaking to a group of young adults, what is the best piece of wisdom you could offer them?
