

Week 2:

Spark Plug Faith

**WHAT
DOES
GOD
WANT?**

Questions

1. What illustration, story or example stood out to you this week?
2. Pastor John reminds us that faith is a choice, not a feeling. When have you made the choice to have faith in God's plan and purpose instead of relying on how you were feeling? Does it get easier over time for you to make the choice of faith? Why or why not?
3. Read Hebrews 11:8-12. Faith and surrender go hand in hand. Abraham and Sarah obeyed God, even when they didn't know where God was leading them. What area in your life needs to be surrendered to God in obedience?
4. Read Matthew 9:9. This verse shows us that when you bring your desires to God, you can believe that He can do what's best for you. Do you believe that to be true? Why or why not? What makes it difficult to believe at times?
5. What prevents you from telling God what you desire? How can you step out toward that desire in a God-aligned way? How will you continually submit to God as you seek that desire?
