

WEEK # 3: WHY DO I FEEL LIKE TWO DIFFERENT PEOPLE SOMETIMES? PART 2

INTRODUCTION

Everybody has a secret life. There is a gap between the person we want to be and the person that we are. It could be because of things we do wrong, or others have done to us. God's will for all of us is for us to be completely authentic and free to be who we really are. In this series, we'll look at God's word and discover how to be free from that secret life that keeps threatening us all the time and how to be the people that God has designed us to be.

DISCUSSION QUESTIONS

1. What was your biggest takeaway from the message, and why?
2. The life of a Christ-follower can be a little schizophrenic because of the battle within us. And when we are losing the battle, it can make us feel like a walking contradiction. How have you experienced this tension?
3. Pastor Mark said, "You may be losing big time, but if you have that craving to please God, say to yourself, 'I have the POWER to overcome. Jesus put it inside of me.'" Is there an area of your life you feel you are losing big right now? If so, how does this powerful reminder encourage you to keep moving forward?
4. In order to win the battle within, we have to prepare to play the long game. What can you start doing differently today so you can reap a harvest of blessings in the days to come?
5. Which Fruit of the Spirit do you want to see produced most in your life right now?
