5. Read **2 Chronicles 20:12**. Have you ever felt like that? What practical ways can you grow in placing your full dependence upon Jesus Christ?
6. Read **Philippians 4:6-7**. What does this passage call us to do in light of the challenges we face? What does the phrase "with thanksgiving" mean in this verse and what is that calling us to do? What is the promise this passage gives us if we do these things? Do you really believe this is true? Have you experienced that peace? What is it like?
7. Read **Ephesians 6:10-13**. How does the reality of the spiritual battle that we are in change your perspective on life's daily battles that we face? What does this passage say we should do in light of the reality of the Spiritual Battle around us?
8. What lies is the enemy trying to get you to believe? What do you think God wants you to believe instead?
9. When you come to church on Sundays, what is the "worship time" like for you? Do you think living a life of worship more fully throughout the week could change how you experience a corporate worship service? What effect would it have on non-Christians who visit our church?

***Take time this week to give thanks to God for His strength and peace that is available to us even in the midst of our battles. Ask God to help you trust, worship, and depend upon Him – before, through, and after all of life's battles. Pray for our elders as they seek God in finding ways to help bring healing and reconciliation to Bethany church. Pray for our pastoral staff as they work to meet the growing responsibilities of our church. Ask God to give you the desire, courage, and strength to be an agent of healing as we move forward in this next season.***
