The Story
Week 2 - Telling Your Story
Selected Scripture

Introduction

The Bible at its core is a story about God's love for people. The transforming power of God's love in the lives of people who trust in Jesus Christ as their Savior. This three week series focuses on our Lord's calling for each one of us to tell others of this love. Each one of us have our own story to tell. These sermons are intended to motivate and equip us in telling our story.
