#### **GENESIS 1-11 SUMMARY**

*God is an eternal and self-sufficient God, who by verbal fiat has sovereignly created the universe and all that is in it, in order to display His glory. The crown of His created order is mankind, the only creature made in God's image. But, mankind's first parents tried to set themselves up as equals to God, and have disobeyed Him. In doing so they have incurred the just wrath of God and have been expelled from that pristine created order, where they will no longer enjoy that perfect fellowship with Him nor each other, nor rest and peace on the earth. However, God has already established a way by which the curse of sin will be overturned and the universe re-created to its original state!*
