1. REVIEW THE SERMON

Read Acts 3:1-10. Why is it important to show the love of Christ in action to those in need? What are the results of showing the love of Christ seen in this passage?

Read Acts 3:11-26. How does Peter connect his showing the love of Christ in action to the gospel? What important principle does this demonstrate for us?

Why is it important to both **show** the love of Christ and to **tell** them about Jesus? What happens if we leave out either showing or telling?

2. ASSESS YOUR HEART

Do you find it more difficult to show the love of Christ, tell people about Jesus, or both? Why? What keeps you from showing the love of Christ more often?

3. APPLY THE TRUTH

What can you do this week to better see the needs around you, and be in a position to meet those needs? (Time, acts of service, joyful generosity)

4. I AM SENT... THIS WEEK

Ask God to show you one person who you can show the love of Christ in action to this week.
