THE SOURCE & SIGNS OF A HEALTHY LIFE IN CHRIST

## 1. REVIEW THE SERMON

**Read Mark 4:26-29.** The point of this parable is about growth and multiplication. How are growth and multiplication connected?

---

---

**Re-read verse 26.** What is our responsibility for sharing the good news? What does it look like to spread “gospel seeds?”

---

---

**Read 1 Corinthians 3:5-7.** According to this passage, who is the one who gives growth? How does this free us to share the gospel?

---

---

Why is God so concerned with multiplication rather than simple addition? (See Gen. 1:27-28, Gen. 12:1-3, Matt. 28:19-20)

---

---

## 2. ASSESS YOUR HEART

This week Pastor DJ gave us a prayer—“God, I will do whatever, wherever, whenever, among whomever for the multiplication of your glory and goodness.” Are you willing to pray that? If not, what keeps you from doing so?

---

---

## 3. APPLY THE TRUTH

How can we encourage each other to plant gospel seeds this week? How can we seek to multiply churches here, near, and far?
