1. REVIEW THE SERMON

Read 1 John 2:3. Why is it important to distinguish between obedience as a **result** of our salvation rather than the **cause** of our salvation?

Read 1 John 2:4. What warning is given this verse? Why is it important to examine ourselves to make sure we are truly followers of Christ?

Read 1 John 2:5. How does obedience to Jesus increase my ability to love those who are difficult to love? (See also John 13:34-35)

1 John 2:6. What does it mean to abide in Christ? How does abiding in Christ lead us into becoming more like him? (See also John 15:4-8)

2. ASSESS YOUR HEART

How would you describe your obedience to Christ? Do you obey out of a sense of love or a sense of obligation or duty?

3. APPLY THE TRUTH

How can you seek to abide in Christ this week in order to become more like him?
