

1. REVIEW THE SERMON

How would you define what worship is? Compare your definition of worship to how the apostle Paul describes it in 1 Corinthians 10:31.

Romans 12:1-2. What does it mean to present your whole-self to God as a living sacrifice? How might your life look differently at work and at home if you viewed yourself as being a living sacrifice to God?

What are some ways we can become “conformed” to the pattern of the world? How does examining our time, treasure, talk, and thinking help identify the idols in our lives?

How does renewing our minds lead to knowing the will of God and enables us to live a life style of worship?

2. ASSESS YOUR HEART

What keeps you from truly living a life of worship? How would your life look differently if you viewed everything as an act of worship?

3. APPLY THE TRUTH

The key to living a life of worship is continually renewing your mind. What is one way you can seek to renew your mind this week?
