Name	Prayer Request
Brad Sanger	Brad suffered a stroke on Sunday morning and is currently in the ICU suffering with speech complications.
Kathy White	I am worshipping from home. And the worship lifted my spirits. Please know that I love the Lord, I love Bethany. I do not intend to miss church every week. I suffer with depression and it is very hard for me to get out. I hardly ever go to the grocery store anymore except if I necessarily have to, otherwise it is instacart. Please keep me in prayer and I will be spending time daily with the Lord to give me the courage to get out and get to church. I miss so many events because of this. I missed visiting my friend from Oregon, I missed spending time at a birthday even for my grandsons. It's not just church. I appreciate your love Bethany. Bless your hearts!! I want to be there next week to pray over Pastor Jeff!! <3
Tisa Brookhyser	Thank you for your continued prayers. Rusty's PET scan on Monday evening and Surgery on Friday July 15. We love you Pastors and staff!
Joe Berry	Pray for my brother-in-law Russ. His mother is in her last weeks. It is weighing very heavy on Him He lost his dad and is an only child.
Ed DeHoog	I am seeking reconciliation for my marriage and family. I believe God wants my family to be whole again. However I am becoming discouraged. I need peace.
Jan Starkey	Seeking prayer for my daughter's friend who has no job, money, food, hasn't paid rent in months. He has a history of job losses, etc. ... In my opinion he has undiagnosed anxiety & depression. I have tried to help but the problems are too deep. I can't save him but I'm watching him drown. Who can help? Organization or social worker?
Ellie Fox	Pray for Jim & Jane Boehm leaving for 3 months of volunteer service in Sudan. Jane will be working in hospital and Jim well drilling. Pray for AMy Fox who is teaching Fine Arts students at Azuza Pac unthis July 29. Praise for great fellowship & teaching in Christian Roads; great care and prayer for each other.
Chanda Sparks	I'm just officially retired from grade school teaching and turning 65. I'm not yet open to taking on any new projects apart from my role caring for 5 nephews whose mom passed on recently.
liz Cendejas	Asking prayer for my friend Erika's father... He has a stroke on Thursday. They are running tests, not sure of hiw conditions. Also an unspoken request.
Frank Villalobos	Pray for health needs a powerful touch of healing. To me more active in life and spirit and change in my being image (?)
Kimberly Walker	I really do need prayer as I heand into a time of transitions and change. I leave my job in two weeks, I student teach in August. After student teaching is unknown. I look for work. I might move. All those joys with a stab of pain. Turning the next chapter in my life with out my spouse is a painful one. It's scary and uncertain. Not sure how I'm going to provide for myself and find a home.

	By the grace of God I have been gaining confident in Christ for sharing my faith with my housemates. One of them is in aw of thie faith that I love God, praise him, and His wonderful grace. But I'm also realizing that I'm being persecuted at home for my faith from housemates who have experienced lots of church hurt in their pasts. It seems like all I can do lovingly is to listen and accept the persecution as I pray for them, but its' really hard to personally live at this home. Would appreciate prayer for the wounded hearts of them and for strength to continue loving them in Christ despite the persecution. Thank you for the sermon today. Extremely relevant to my prayer request.
Jan Park	
Harold Hansen	Harold was hospitalized on Sunday after a fall at home.
	Praise I was able to sing with 60 singers for Bill Lock Memorial on Saturday. He was a giant Chrisan man, director of music at BIOLA. I was thankful for friends who prayed that I'd be able to sing (with a recent sinus infection) because it was so rewarding.
Joan Hill	
Henry Igboke	Please pray that God will guide and direct us at home and at work. And for God's continued protection.
	Continue to pray for Gary that Kaiser will be able to schedule his surgery soon and that the cancer would not spread. Please pray for Bob O'Niell too that both of their cancers would go into remission.
Joy Kenan	
Ken Brydon	Josie, Josie Jr. and Jaren have COVID. Josie is feeling very sick.
Loretta Curren	Please pray for my family as we go through living transitions. Please pray for Marley who is now living with her aunt & uncle in Pasedena.
