Introductory Discussion: What from Sunday's sermon did you find most helpful, or eye-opening, or troubling?

1. In chapter 13, verse 10, Lot chose where to go by what looked good.
 - a. What is wrong with choosing this way (see 2 Corinthians 5:7)?
2. In Genesis 14, what happens to Lot?
 - a. How can we connect what happened to Lot with how he makes his choices?
 - b. What can we learn about the consequences of our choices, especially when we don't consider what God wants?
3. The attacking kings bypass Abram but take Lot captive. Why do you think God dealt with Abram and Lot differently?
 - a. If Lot is Christians who lives in control of their own lives, what is the message for that kind of person?
4. Abram rescues him with a small force. What does that say about the Christian who really trusts God?
 - a. What does the rescue tell us about what God does for believers who aren't walking by faith?
5. Why does Abram say that he won't keep anything that belongs to the king of Sodom (verse 23)?
 - a. Why is it important that Abram keep this purely a rescue and that He not enrich himself with the spoils of war?

- b. What does that teach us about what our motives should be when we interact with nonbelievers (or believers for that matter)?
- 6. If Abram does not flourish because of the world's treasures, where does his flourishing come from?
 - a. How can we live that out in our daily lives?
